PROFILE

"As a skilled Frontend Developer, I specialize in crafting responsive, visually engaging, and high-performance websites and web applications. With expertise in HTML, CSS, and JavaScript, along with modern frameworks like React, Angular, and Vue.js, I ensure that every project is optimized for both desktop and mobile platforms. I work closely with designers and backend developers to implement cutting-edge UI/UX features, providing users with intuitive and enjoyable experiences. I am passionate about staying up-to-date with the latest web development trends, tools, and best practices to deliver the most efficient and effective solutions."

WORK EXPERIENCE
